Slow down. Relax. Enjoy your time in nature and the laid back Kiwi way.

Why, hello there!
Nau Mai, Haere Mai

Would you like to know a little about YHA? You would? Great news! You can do that right here!

YHA New Zealand is...

A friendly, local network of quality budget accommodation, from the top of the North to the bottom of the South. We're a not-for-profit all about enriching your understanding of your fellow travellers, the environment and Aotearoa New Zealand.

At all our properties you'll enjoy:

- Shared or private rooms
- Fully-equipped kitchens
- Bedding provided
- Laundry facilities
- 24-hour guest access
- Free travel booking service

No curfews, no chores, no worries!

Not to mention a friendly welcome, heaps of fellow travellers (and potential travel buddies), and the inside word on all the best stuff to do nearby.

Booking, arriving and staying

Our hostels are popular! We strongly suggest you book ahead to avoid missing out, particularly during the peak September–March travel period. Leave it too late, and it might be hard to find the kind of room you want.

YHA started out focusing on youth travellers, but we welcome guests of all ages. In fact, a lot of our most dedicated members have been staying with us since they were kids — and now they bring their own kids to continue the tradition!

When it comes to checking in, have your ID and booking confirmation handy so we can make sure you're the one that ends up staying in your room. Oh – and your YHA membership details! Have those.

Speaking of which, if you haven't signed up...

YHA Membership: save $$ on new experiences

You don't have to be a YHA member to stay with us, but friend, it sure helps your savings.

Our YHA members **save 10% on direct accommodation bookings** and get hundreds of discounts around New Zealand and Australia. Plus, **if you're between 18 and 30, you'll get an IYTC membership** with more than 150,000 discounts worldwide. That leaves you more dollars for sights, adventures, food, and all that other cool stuff.

Join now at yha.co.nz or when you make your first booking with us!
